Formed in 1982 by kustom people... for kustom people!

If you remember how it was during the Nifty Fifties and Swingin' Sixties, you will recall that it was the West that set the trends and "lead" the way in the Kustom field. Join us in bringing back those great lead sleds and honoring the many big name Kustomizers still active on the West Coast. Here is a chance to get that Kustom out of the garage, load up the family, and join with us for some good times. Included is the official West Coast Kustoms newsletter, "Cruisin' News." All for the sum of \$40. Renewal is \$35
